

Low Cost Ozone Pump

Low Cost SS Ozone Pump

Single head ozone compatible pump ensures you can get ozone into pressurized water lines. Low cost & reliable are this pumps main qualities.

Features

- ozone compatible
- 316 SS & PTFE Heads
- can start under load
- compact for tight spaces
- excellent for lab & research applications

Product ID: **OZC-161**

Stock: **Yes**

Price: **\$695.00**

Specifications

Wetted Materials PTFE diaphragms, 316L stainless steel head & Hardened PTFE valve disc

Inlet & Outlet Ports 1/4" FPT

Motor Type 1/8th Hp TEFC

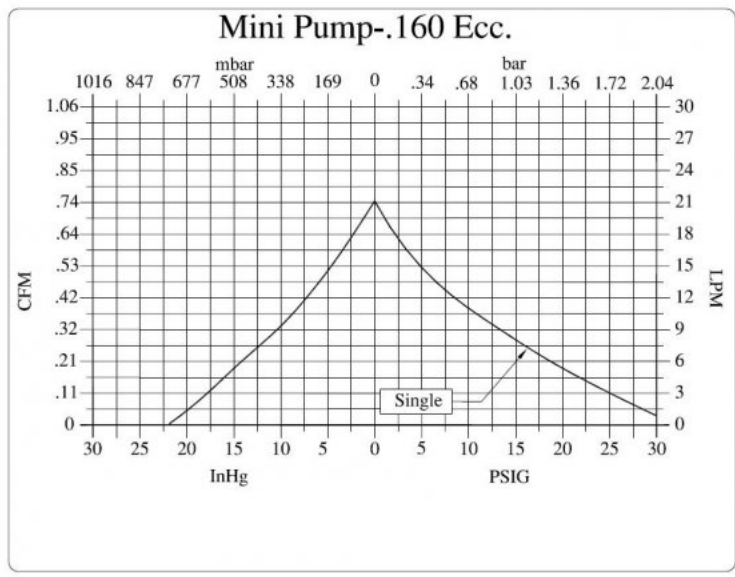

Open Flow 0.74 CFM (21 lpm) (see chart)

Flow at 20 PSI 11-SCFH (5 lpm) (see chart)

Dimensions: 4-in x 6-in x 8-in (WxHxL) 10-cm x 15-cm x 20-cm

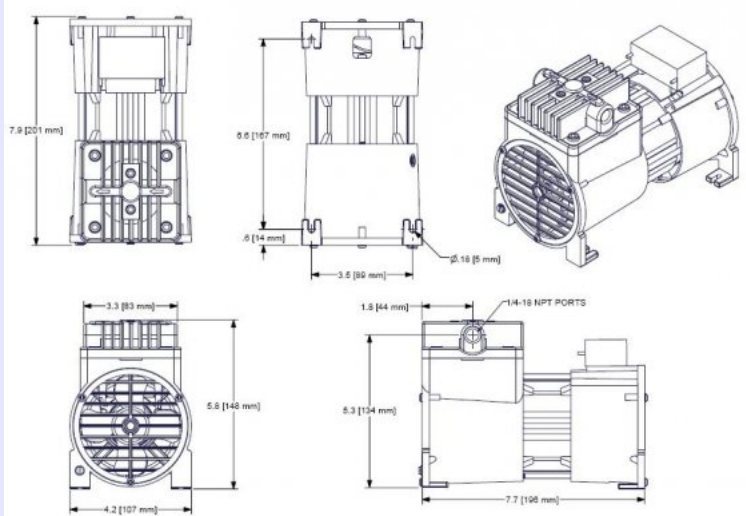

Weight: 20-lbs (8.5 kg)
